	rugs	Fourth Grade		

1st grade- Native American culture, weaving, rugs 2nd grade- Native American culture, parfleche 3rd grade- Native American culture, totem/fetish	I will create Native American Sand Art.	The students will be introduced to the Native American Unit by viewing a power point on Native American Sand Art. The students will then try and make a Native American drink, crushed strawberries mixed with sugar and water. The teacher will then show how she created her piece of sand art, as well as other examples of sand art, and the students will create a sketch of their design for their sand art. The students will then create their sketch using sand to create the art.	
4th grade – Native American culture, sand art	Fifth Grade		
5th grade-Native American culture, Rattle	I will create a Native American Rattle.	The students will be introduced to the Native American Unit by listening to Native American Folktale. The students will then try and make a Native American drink, crushed strawberries mixed with sugar and water. Students will then view a Native American Dance clip for the KET Dance dvd series, observing the dance and use of Native American rattles. The teacher will then show how she created a rattle and the students will use paper mache to create natural materials. When the rattle is complete the students will create a sketch of their design they will draw on their rattle.
